

CURRENT ENERGY EFFICIENCY REBATES AVAILABLE FOR LONG ISLAND HOMES

Looking to make your home more energy efficient and more comfortable? There are rebates and tax incentives available to help offset your costs! Here are the federal, state, and utility rebates available to Long Island homeowners.

ENERGY EFFICIENCY TAX CREDITS

25C TAX CREDIT

Claim a 10% tax credit for upgrades like insulation, air sealing, heat pump installation, energy audits, energy efficient HVAC replacement, electrical panel upgrades, and energy efficient window and door replacement.

MORE REBATES COMING FROM THE INFLATION REDUCTION ACT

The Inflation Reduction Act is dedicating over 9 billion dollars to state-managed rebate programs that will be rolled out in 2023. Benefits can total between \$2,000 and \$14,000, depending on the program utilized. Stay tuned for more information!
